Healthcare

Florida's growing and very diverse healthcare and bioscience industry operates in a highly competitive and highly regulated environment where constant change is the norm. Operating a business or practice in this volatile industry requires sound and sophisticated legal counsel to navigate the many challenges that healthcare entities encounter on a daily basis. Ruden McClosky's Health Law Practice Group comprises experienced health and bioscience law practitioners, including attorneys who are Board Certified by The Florida Bar in Health Law . Our attorneys who concentrate their practice in health law serve a variety of entities in the healthcare and bioscience industry, including:

- Individual physicians
- Single-specialty and multi-specialty physician group practices
- Integrated service-networks, PHOs, IPAs and MSOs
- HMOs, PPOs and other managed care plans
- Nursing homes and assisted living facilities
- Home care providers
- Hospitals and hospital associations
- Emerging biotechnology companies
- Medical device companies
- Pharmaceutical companies

Please see our [Health Law Practice](#) and Intellectual Property Practice for more information about our capabilities and services.
