## Banking, Finance and Mortgage Banking

Florida's Banking and Financial Services industry encompasses banks, financial institutions, mortgage servicers, insurance companies, commercial credit companies, and other lenders and providers of financial services. Ruden McClosky's attorneys serve clients in every sector of the industry -- in Florida, throughout the United States and internationally -- and offer assistance with a wide range of banking and lending activities, including:

- bank mergers and acquisitions
- bank operations
- loans and commercial credit transactions
- asset-based lending transactions
- debtor-in-possession matters
- debt offerings
- taxable and tax-exempt IDB's
- loan workouts and bankruptcies

### BOND FINANCING

Ruden McClosky attorneys serve as bond counsel, as well as counsel to lenders, issuers, trustees, credit enhancers, and underwriters, in connection with municipal and industrial revenue bond financings and other tax-exempt debt securities. Our attorneys also advise lenders in regard to UCC, lender liability, and environmental law issues.

### MORTGAGE BANKING

Our attorneys assist in compliance and mortgage finance arrangements for mortgage bankers and mortgage servicers.

Please see our Banking and Finance Practice for more information about our capabilities and services.
